Manuscript Submission Guidelines

Authors from India and abroad are invited to submit manuscripts reporting original unpublished research and recent developments in the topics related to the conference. Submissions must include title, abstract, author affiliation with email address and keywords as per template which is available in the website. The paper should not contain page numbers or any special headers or footers.

As per copyright transfer agreement, authors are deemed to be individually or collectively responsible for the content of manuscript published by them.

Regular papers should present novel perspectives within the general scope of the conference. The paper length should not exceed 8 pages. Authors are requested to kindly refrain from plagiarism in any form. Authors should submit their original and unpublished research work not under consideration for publication everywhere.

All submitted papers will be subjected to a "similarity test" by Software. Papers achieving less similarity score (as per UGC rule) will be examined and those that are deemed unacceptable will be rejected/withdrawn without a formal review.
